CANOPY POLICY		

Placing rain screens above front and rear doors, is permitted under the following conditions.

The canopy should be a max of 1 meter deep and as wide as the door it is covering

The type and detail of the canopy is to be approved by the trustees before erection

Upon completion of the canopy installation, the Resort Manager must be notified so that he inspect to determine if all the conditions have been met.

REV N°.	STATUS / CHANGE	DATE
1	Rain Screens changed to Eained Canopy doors, as well as removed from 1st sentence Rest of policy re written as a most of the excisting pertains to patios and not canopies	13/09/21
