MOVING OF WATER METERS POLICY		

The moving of water meters at units in Palinggat Oord may not take place without the written permission of the Board of Trustees.

The moving of water meters may only be done by a qualified Plumber and is for the account of the applicant.

Conditions for moving:

- When improvements are made to the unit and the water meter affects the improvement.
- When the water meter has been installed in a closed backyard and no direct access to the water meter is available.
- Where two or more units share a water meter and owners apply to install a water meter of their own.

In cases where an existing meter has been placed in such a nature that it can cause injury to persons or damage to any property, an application may be made for the Body Corporate to move the water meter at their expense.
